1. Shield Captain by Dmitry Mironov

Rare is the battle where the Emperor's Custodians outnumber our foes. We are ever beset, surrounded upon all sides, by heresy and the foulness just as is Terra itself. Yet, like the Throneworld, we stand resolute, indefatigable, indomitable. Let the enemy come, let them darken the horizon with their numbers. Still, we will prevail.

~Harkhas Bastoris, Allarus Custodian.
