9:00AM to 10:00PM

Entrance is **FREE!**

Come join us for the fifth annual Northeast Epic Armageddon Tournament, **NEAT V**.

New players and old hands are welcome, we're only playing for fun and bragging rights after all. Even if you don't have an army, let us know and we can see what we can work out.

Three 3.5 hour rounds are scheduled with a one hour break between each.

Rules

The Epic Rulebook and Swordwind supplement will be used, as well as the Epic 2008 Errata (now incorporated into the rulebook) and Epic FAQ 2008. All of these are available free on Games Workshop's website under:

Specialist Games >> Epic Armageddon >> Epic Armageddon Resources

We will also be using the unofficial, fan produced supplements Raiders and Siege.

Armies

Armies should be 3000 points and selected from army lists in the Rulebook, Swordwind, Raiders or Siege supplements. Other army lists are allowed, just contact us.

Registration

You can register by sending an email to **the.epic.gamer@gmail.com**.

Please provide your name, phone number and the army you're planning on bringing. You'll receive an e-mail in May calling for the actual army list.
